Fyi, kiswrites do not add The Lost Queen download free ebooks pdf on our server, all of pdf files on this web are safed through the internet. We do not have responsibility with content of this book.

Mists of Avalon meets Philippa Gregory in the first book of an exciting historical trilogy that reveals the untold story of Languorethâ€”a powerful and, until now, tragically forgotten queen of sixth-century Scotlandâ€”twin sister of the man who inspired the legendary character of Merlin.

Intelligent, passionate, rebellious, and brave, Languoreth is the unforgettable heroine of The Lost Queen, a tale of conflicted loves and survival set against the cinematic backdrop of ancient Scotland, a magical land of myths and superstition inspired by the beauty of the natural world. One of the most powerful early medieval queens in British history, Languoreth ruled at a time of enormous disruption and bloodshed, when the burgeoning forces of Christianity threatened to obliterate the ancient pagan beliefs and change her way of life forever.

Together with her twin brother Lailoken, a warrior and druid known to history as Merlin, Languoreth is catapulted into a world of danger and violence. When a war brings the hero Emrys Pendragon, to their door, Languoreth collides with the handsome warrior Maelgwn. Their passionate connection is forged by enchantment, but Languoreth is promised in marriage to Rhydderch, son of the High King who is sympathetic to the followers of Christianity. As Rhydderch's wife, Languoreth must assume her duty to fight for the preservation of the Old Way, her kingdom, and all she holds dear.

The Lost Queen brings this remarkable woman to lifeâ€”rescuing her from obscurity, and reaffirming her place at the center of the most enduring legends of all time.
